President's Message

We have hit a delay on the tennis court project. We found out that the town is requiring a minor site plan. In order to accomplish that, we needed to do a survey to send to the engineering firm to complete the site plan. We will then have to go in front of the Township Zoning Board for approval. At this time, we are hoping to get onto the May 20th schedule. I apologize for the delay, however, we were under the impression that this was a replace in kind, since we are going over the exact same footprint. Regular updates will be available at the Athletics Committee meetings and the Board meetings. I'm sure the delay will be worth it in the end to have a brand new facility for everyone to enjoy.

The new walkway at the Clubhouse is complete and is a nice addition to the Clubhouse lawn. Deck repairs are complete, including a new railing approaching the entrance to the bar. Starting in June, the bar will be open on Wednesday nights for everyone to enjoy the lake views on the deck.

In May, we have Ladies Comedy Night, the Community Yard Sale Weekend, and the HAC Summer Kick-off. I'd like to wish Pat Degnan a "Welcome Home" and a speedy recovery. Happy Mother's Day!

Any concerns, please call me at 973-586-1556.

Friendship Club 55+

We celebrated St. Patrick's Day on March 14th at the Brownstone in Paterson, N.J. The luck of the Irish was with us-- great weather, great food, great entertainment, and best of all-- great friends. We have been going there for many years. This time was the best. The band "G B's" performed a medley of Irish songs that included a sing-a-long. When the band took a break, a comedian, Chris Monty, had us rolling with laughter. He was hilarious. Every year, our own Leprechaun, Nat Kramer, complete with his costume and pot of "gold" is a big hit with everyone. There was an Irish Jig dance contest. Ginny Antonelli won 2nd prize.

Food was plentiful. There was a mixed green salad on the table waiting for us. Then came a delicious potato soup. The main entree was served family style, corned beef and cabbage, plus roasted potatoes, chicken and carrots were your choice. To top all this was an ice cream dessert. Pitchers of soda and beer were on the table. For the 1st hour, there was an open bar. All of the aforementioned was only \$65. and even included bus transportation to and from WML. What a bargain!!!

Come and join our club. It is held in the Country Clubhouse at 1:30 pm every 2nd and 4th Thursday of every month. Soft drinks and pastries are served at every meeting for free. Bingo is played most meetings. Annual and monthly admission are free. Experience all the fun we have on our trips. There are only 2 requirements to join: (1) Must be 55 or older and (2) Must be a resident of White Meadow Lake in good standing. See you at our next meeting.

Swim Lessons

2024 SWIM LESSONS REGISTRATION & POLICIES

REGISTRATION: Begins May 4th at 9:00AM and ends May 30th at 5:00PM. This year, all registrations will be done online. The link for a new family registration is: <https://campwhitemeadow.campmanagement.com/enroll>. It is recommended to create a family registration / child information in advance to save time in registering for classes when registration opens. When registering, enter your child's AGE - and based on that - only the classes that the child is eligible for will show up. You can choose to pay online via CC or by check at the office after registering online.

ATTENDANCE & ATTIRE - Please arrive at your child's class on time. Arriving late disrupts the flow of classes currently in session. Have swimmers ready in bathing suits and goggles. Please pick up promptly at the end of the scheduled class. Swimmers who are not toilet trained **MUST** have a swim diaper on with elastic at the legs and waist. If swimmers have long hair it should be tied back so it will not get in their face during lessons.

OBSERVATION- We encourage parents to be active participants in their child's learning process, but we also ask for you to keep your presence during swim lessons to a minimum. Swim Lessons are a perfect time for your child to explore their independence and confidence in a safe environment. There are certain instances where your presence can detract from your child's ability to learn. We ask that you remain along pool walls/fences and approximately 10-12 feet away on beaches.

MISSED CLASSES - Make-ups are only held for classes canceled by the POA for bad weather and if we can find a make up time. We do not offer make-up classes for classes you have missed.

COMMUNICATION - Please sign up for Remind. This can be done 2 different ways.

- Text 81010 (for the recipient) and enter @wmlswim24 (in the message).
- OR you can use this link to join: <https://www.remind.com/join/wmlswim24>.

Make sure your settings are on to allow text messaging for fastest updates. We will use this for all classes. You can reach out to the Supervisors through this app.

COSTS FOR CLASSES - \$75 for Sat./Sun, \$90 for weekdays (Breakdown is \$7.50 a class)

2024 SWIM LESSONS CLASS DESCRIPTIONS

Evaluation Date: June 8th Time TBD

Ages are a guideline, beach staff have the final approval of all levels. If you sign up for a class & we feel your child needs to be at a different level, we will work with you to find a class that works.

Parent/Child Classes: (30 months/2 ½ yrs and younger)

Mon/Wed @ Drum 9:30a-10:00a

Tues/Thurs @ Beach 1 9:30a-10:00a or @ Circus 5:00p-5:30p

Water acclimation is specially built for children who are not ready to swim without their parent(s). Throughout the session, the child transitions between the parent and instructor to allow the child to learn to listen to the instructor, become comfortable in the water, and safely explore movements in the water. A parent or guardian is required in the water with the child. Parents/Guardians will assist in teaching basic swimming skills.

Lakefront Updates

Lake Committee Update

Our committee is working to ensure lake fun through the 2024 season.

We are trying new steps and measures in conjunction with what has worked in the past to provide a multi-pronged approach to help balance our lake's ecosystem.

A new trickle feed pump will feed alum continuously into the Beach 2 inlet, our largest source of external nutrients. A new handheld water analyzer will also help track water quality and provide symptoms for diagnostics. Alum will continue to be used to treat our internal nutrient loading.

There are also exciting new technologies to be explored. Lake Committee is also behind the docks, dam, boating, and working with our fishing and boat registration sub-committees.

Come and join us the first Thursday of the month at 7:30 in the clubhouse and/or reach out to us through the office.

Boat Registration Sub-Committee Meeting

If you own a boat and participated in the 2024 White Meadow Lake Boat Registration process, the Lake Committee has formed a new subcommittee to design and develop the 2025 process and we are looking for feedback and ideas. If you are interested, the first Boat Registration Sub-Committee meeting will be held at 7 pm on May 6th. Please scan the QR code below to register so we can ensure adequate seating. Registration will close on May 2. If you have any questions, please contact the office.

The Annual Larry O'Rourke Opening Day Trout Contest was held on April 6. It was raw, overcast, cold, and WINDY! We had about 25 fishermen braving the elements on the shore and on boats. Eric Rivera and Ted Riley each pulled in a nice-sized bass from shore, but sadly it was the wrong species for this contest! A total of four trout were caught and brought in for measuring. Ken Trickilo caught a 13" rainbow

from his boat, but the winner of the longest trout from a boat was a 14" tiger caught by James Conway and Luke Smolinski. The longest trout from shore was a 13" rainbow, caught by Dante Bianchi. The lucky winners received a filled tackle box, a folding net, and a nice pair of pliers. Congratulations to our winners!

Dante Bianchi, James Conway, Luke Smolinski

Within the next few months, we will re-introduce a method to report your catches. Stay tuned!

If you are interested in joining the White Meadow Lake Fishing Club, would like to send photos of your catch, or have any questions, comments or concerns: please send me an email or stop by a Fishing Club Meeting. See you on the lake!

LET'S KEEP OUR LAKE CLEAN!

Please remember to keep our streets clean and pick up after your dogs. Everything in our streets goes into the storm drains, enters our stream, and then goes into our lake. Let's keep it clean!

It is the intention of the Board to formulate a violations and fines process. This process will allow the Board to enforce the rules and regulations of WML, and fine property owners who do not remedy their violation(s) in a timely manner. WML property owners, residents and their guests are obligated to abide by the WML Constitution & By Laws, Administrative Guidelines, and any rules that have been established by the WML POA & CC ('Rules'). These Rules cover all common properties including, but are not limited to, the lake, beaches, pools, athletic field, clubhouse & lawns, docks, boat launches and parking lots. The site manager, security staff, patrol boat operators, waterfront staff, and office manager are authorized to approach individuals who are not abiding by the Rules to inform the person(s) of the infraction. An incident report will be created and submitted to the POA office, where it will be recorded. Any fines issued pursuant to the Violations Process, below, will be levied against the relevant property owner's account. Any property owner's account not in good standing at the beginning of each calendar year will be subject to loss of membership privileges until the account is brought current. Fines will go into the POA Late Fee account.

Violations Process: Violation count applies to all violations associated with a property and need not be of the same type. All notifications and fines apply to the property owner.

1st violation- verbal/email notification from office

2nd violation- written/postal mail notification from office (return receipt)

3rd violation- written/postal mail notification from office (return receipt) and fine imposed of \$100

4th violation- written/postal mail notification from office (return receipt) and fine imposed of \$250

All subsequent violations will be imposed a fine of \$500 each with the potential of removal of privileges. Violations are counted on a rolling twelve-month period. Unpaid fines remain in the property owner's account, which renders them "in arrears" and no longer a member in good standing.

Disputing: Property owners who are issued a violation pursuant to this policy may dispute their violation by submitting a request to the POA Office for a public grievance hearing before the Board. The Board shall conduct this hearing at a board meeting of its choosing, listen to the facts, and, by majority vote, will either confirm, mitigate, rescind, or otherwise change the penalty. Any property owner who wants to contest a violation must inform the POA Office within 10 calendar days after notification. Decisions by the Board are final.
