    2. **Noon Years Eve/Christmas Tree Lighting** - Kristen Neu spoke about New Year Eve recap, focusing all of their setup to the lake side of the ballroom. The back half of the ballroom will have hanging decor but will be otherwise unoccupied and free to use. She'd also like to replicate getting the tree lighting and Cookies with Santa on the same weekend but the dates are unfortunately booked for 2025, something to look at for 2026.
  - B. **Country Club/POA Business** - New hires include a new member of the maintenance staff (Deisen Rivera Martinez), a new host (Deb Minieri), and Kathryn Langer has agreed to come on as the Community Manager. All employees will report to her starting 3/3/25. Preschool duct work completed.

Chris Kleinwaks (Fall Festival) to follow up on how to allocate the credit between the deposits.
- IV. **Old Business (Francesca)**
  - A. **Winterfest** - Francesca - Successful event though a rash of illnesses hit a large part of our volunteers.
    1. Next Year we will: Open up sign ups for face-painting and trophy room activity in January as opposed to when the general registration goes live. Less smores and purchase a mat for outside so kids can put their shoes on when going on and off the inflatables.
    2. Feedback includes limiting the balloon options to speed through the line, raising the age for the trophy room craft, and utilizing coat check or providing a place to put coats in ballroom for ease of experience.

spring and holding off on summer. 8 week session signup will start 3/22/25 for members and 4/12/25 for nonmembers. Recital fee was raised from \$65 to \$85, consisting of the costume, venue fee, any other needs for the recital, and 2 complimentary tickets. Additional costumes purchased (for children in multiple classes and/or siblings) charged a discounted price of \$70. Recital fee to stay the same this year at \$10pp. Recital ticket sale date TBD.

**VI. Preschool** - (Kate) - Update - We are very happy the heat situation has been addressed. Member registration is open online for the first time ever! Big props for the help getting that up and running on the Campsite platform. This has made a difference because it is SO much easier than hauling it to the office. In 10 days, we have 22 registered students already. 10 registered in 5 day class, 10 registered in the 3 day class and 2 in the 2 day class. As for the 3 and 5, these are great opening numbers. The 2 day class is always a slow roll but it does fill up as kids age into it. We go to open enrollment on Saturday. We are in talks to market the school stronger on social media and have great ideas but are open to others if anyone has any, please reach out to me. Other than that, we are rolling through winter and pumped for the upcoming field trip to the Mayo PAC for Seussical. Only parent gripes are the state of the parking lot ice/snow and steps leading up to the school are treacherous and are not safe. Francesca introduced the 2% referral discount (see below). Francesca, Lauren and Miss. Holly met for the first time since new board and WC positions have been filled to get on the same page and discuss future items for preschool including but not limited to: advertising, boosting enrollment, line of communication, and working on updating the website. Summer fun registration is 3/8/25 for current students and 3/22/25 for new students.

**A. \*NEW THIS YEAR\* - 2% Discount** for any *current student* referring a non-WML Family!  
*Details: Current families who refer a new non-member who enrolls in the 2025-26 school year. Both you and the non-member will receive a 2% discount on tuition for the 2025-2026 school year. If the current family is a WML POA member, the member must be in good standing at the time of the referral. Offer is valid on a space-available basis. Offer must be mentioned at time of enrollment. Both members and non-member must register by April 1st, 2025. Offer not valid for new incoming WML members. All payments must be made on time. No cash offer. ## Women's Club Minutes- March 10th, 2025

**Meeting end time:** 09:43pm adjourned by Francesca

**Chairperson(s):** Pat Degnan and Stuart Kipilman

**Officer in Charge:** Mike Illardi

**Attendance:** Batel Gahali, Karyn Brodman, Inga Donskaya, Mike Illardi, Carissa Lambariello, Chris Kleinwaks, Joanne Machalaba, Francesca Miskowsky, Molly Reynolds, Pat Degnan, Danielle Ronay, Lee Ann Rivera, Kate Zambarano, Frances Zegar, Samantha Weiner.

### Stuffing eggs and New Homeowners Bags 7pm - 8pm

#### I. WELCOME New Members

- A. Intro to community manager, Kathryn Langer and new chair Stuart Kipilman.

#### II. Logistics - (Francesca)

##### A. Sundaes by the Lake - Discussion on length of event 2 hrs or 3 hrs.

- 1. ~~VOTE~~ Spend \$900 to be paid to Guilty Pleasures (band for Sundaes by the Lake)

- a) Band will be \$700 not \$900 - \$900 was originally for 3 hours, but the sub-committee has decided to hold the event for 2 hours. Vote not needed.

##### B. Volunteer Recognition - Unsung WC Warriors

- 1. Board has decided to condense recognition to one time a year at the end of the year at our holiday party as opposed to quarterly.

##### C. Review on meetings with Andrea on WC POA, Dance & Acro and PS budgets and processes.

- 1. WC POA Budget meeting - went very well. We came up with some SOPs to better track WC spending and have the office better track what we're spending so there is absolutely no question as to what WC is spending and what line it's coming from

##### D. WML Women's Club Committee Folder

- 1. Anyone with a link has access to view the contents of this folder. Folder contains contracts, W9 and more needed to run an event.

##### E. Event Booking Procedure - Update provided regarding ongoing discussions questioning the implementation of this policy.

- 1. Admin Guideline in question read aloud to committee by Francesca Miskowsky. *In short, the guidelines read: "...White Meadow Lake (WML) members and general rentals may reserve in advance without limit. Groups requesting discounts can reserve facilities up to six (6) months in advance...Use of facilities or discounted rates [are defined as]: Organizations with historic ties to WML (example - Lion's Club and White Meadow Temple), Charitable Organizations [or] Religious Organizations [with significant numbers of member[s] in the Lake], Fire Department and Rescue Squad that services WML, Groups from schools which are attended by students from WML and Other Charitable organizations...When evaluating, consideration should be given but not be limited to the following: the benefit to WML members, the charitable purpose, whether the use conflicts with POA activities or POA fund raising, previous experience with the group or activity/event being planned." It also states, "Women's Club events that are fundraisers for the WML Scholarship program are exempt." It goes on to discuss the exclusivity period of when tickets are available to members vs. non, sponsorship, discounts and other things unrelated to the topic at hand. It doesn't say anything specifically about committees booking events for the Community (POA events). In the past this may not have been an issue as there were less public events and my belief is it just got looped into this 6 month rule which from my understanding, from these guidelines, are for the groups mentioned.*

Stuart Kippleman reaffirms that the community should come first and income generating rentals should come second in the priority of the event scheduling. Chris Kleinswak and Pat Degan both voiced their support as well. Kristen Neu offered her insight from the POV of HAC and her experience and similar frustrations with the uneven implementation of the policy. Mike Illardi brings up the point that the board has claimed that the country club needs to be more profitable, driving the defense of this policy. Pearl asks who, if any one person, is

at the center of this issue to which there was no clear response from the board members present. Francesca asks the board members and chairs how best to proceed. Stuart suggests putting forth a motion to the board with a list of non-negotiable dates/events that we should be allowed to book a year in advance. Pat supports the motion and suggests anyone that would like to support. Joanne suggests that we bring it to Bar and Rental and HAC as an FYI.

The WC board is going to see what the best way to navigate this and get something different and/or more specific in writing. Basically, what we are asking for is clarification to the rule and the ability to book events for the community more than 6 months out, especially those that are contingent on the date of the Holiday they are regarding.

**F. Supply Allocation Policy** - Policy was read aloud.

1. Effective starting March 15, 2025: To make committees more accountable for their expenses, any committee requesting tablecloths for events or bulk hot chocolate packet orders, will need to account for the cost from their own budget(s). The maintenance budget line has been taking a big hit for supplies used by committees running events. If we still want maintenance to supply us with these items, maintenance will fill out a usage slip and submit it to the office. The office will code the slip with the budget line from that particular event so that the accounting department can then transfer the cost out of your budget line and back into the maintenance budget line. The costs can change at any given time when placing the order. If we wish to purchase these items on our own, we can and want to reduce your costs, you are welcome to purchase them on your own from elsewhere."

Chris K asks how it's handled when we use the POA card from the office.

Francesca clarifies the process. Kristen offers the use of the HAC tablecloths that would be cheaper to dry clean than buy all new.

Addendum: As of email on 03/12 at 3:41pm, Policy has been suspended until further notice.

**G. April Meeting MOVED to 04/07/25, 8pm due to Spring Break.**

**H. Wine Tour - (Sat, Aug. 9) - Venmo Francesca \$75 deposit (suggested) at @Francesca-Nieves-Miskowsy**

1. *Nostrano, Fjord, Benmarl (Sangria Festival)*

**III. Treasurer's Report** (Pearl) - Working on updating the SOP and liaising with the office staff. Currently auditing receipts and highlighting the new form Karen is working on currently. Briefly touched on reworking use of the Teen Room.

**IV. Old Business** (Francesca)

**A. Nashville Nights** - (2/22/25, 7pm) - Laura/Angela - \$2167.70 Profit for scholarship. 75 resident tickets and 49 non resident tickets. The most non resident tickets of any event to date.

1. Update from Angela and Laura submitted via email: "*Plan to do it again next year, numbers lower than last year, wondering why?, request for more dance floor space (the way pub night was set up would be great!), brighter lights for the tables so we can keep the overheads off, Facebook page advertised the wrong time (8pm vs. 7pm) so people arrived late.*"

**B. Pub Night** - (3/8/25, 8pm) - Jen Heath

1. Approx numbers a/o Friday 266 tickets out of 300. Eventbrite net profit \$4852. \$1440 from the office a/o 2/27/25. Exact numbers to be reported at the next meeting.

**V. Dance & Acro** (Francesca)

C. **D&A Budget:** Office Accounting team will come up with tuition costs and budget with input from the volunteer and WC Board then to be presented to the POA Board by the July meeting to be voted in and solidified in time for September registration.

VI. **Preschool** - (Kate) - Update - 3 day has only 1 spot left. 2 day is going strong. Open house is scheduled and advertised on FB. Mike Illardi suggested kicking some of the scholarship money raised towards aiding and offsetting preschool renovations. Francesca asked if the preschool was office space for the POA, if the cost really falls on the preschool budget or as a Country Club property. Mike answered that the only reason the windows and the retaining wall need to be done is because it is a working preschool and replacing the windows is a priority to the function of the property for it's use as a preschool and the retaining wall is a detriment to the play area in it's current state. He also brought up that the scholarship overflows and not all the money is spent. Jasmine asked why we don't give it all out and Karyn Broadman clarified the combination of not having enough applicants, they always keep a little money in to seed the next year.

VII. **Scholarship** - Leads - Karyn/Amanda - meeting set for 4/28/25, 7pm-9pm, at the clubhouse.
