Presidents Message

We are into the dog days of summer and the lake is full and in good shape. Festival Days went well, hundreds of people on the lawn participating in all the games and contests. Thanks to the committee and staff for making it a great success. The suggested idea last month to take a photo of your badge was as a back up only, please have your badge with you at all times. Please sign up for the newsletter via e-mail even if you still want the hard copy mailed. This way, you will have it in your inbox before the 1st of the month. The postage rates keep going up so if you don't need the hard copy please consider opting out. I've noticed less garbage on my walks. Continue to keep WML clean. Also, watch your speed, the limit is 25 MPH on all our streets.

Come out and watch the sunset from our deck. Pick a committee and stop by with some new ideas for us. One of our tennis courts was re-surfaced and lined for tennis and pickle ball.

Enjoy the rest of the summer.

FESTIVAL DAYS

THANK YOU!

A Heartfelt thanks to everyone who helped make this weekend happen.

There is so much planning and coordination throughout the year. The office staff, maintenance, and security all work incredibly hard before, during, and after.

The Festival Day Committee is not a Committee of "One" It's a committee of 15 who work together collectively as a team. With only one thing in mind - you, the community. Festival Days could not happen without each and every one of you. You make it happen. We all have our own "Niche."

I would like to personally thank: Scot Desort, Dee Romani, Pat Degnan, Russ Pencak, Marty Sweinhart, Lori Bunch, Ami Nickel, Pete Shappe, Kim Stecher, Mike Ilardi, Stu Kipilman, and Rudy Riveron the best M.C.

Ever. A special thank you to my Co-Chairs Phyllis Auerbach and Joy Weinreich the most dedicated, longest standing committee members. Their love and devotion to the community is unmatched.

Most importantly, the community support and participation throughout the weekend leaves me speechless. Without you, Festival Days weekend would not exist.

You're all the best. I know why I'm a third generation WML Resident.

Ilene Horowitz

A Big Thank You To:

Our Judges for the weekend! The pressure Michelle Kaczmarek, Jennifer Boudreau-Sweeney, and our Former Mr. WML Mike Petro had selecting our new Mr. WML. Did they get it right? Our faithful Danceathon & Parade Judges, Maxine and David Horowitz, who also oversee our boaters in the kayak race as they hold the infamous flag marking the race. Thank you.

Thank you Dana Oddo, Jordan and Evan Schlachter for volunteering your time judging our Sand Castle and Beach contests. I'm glad you had to do the judging instead of me some tough competition.

Thanks to Amanda Alessandra Monteith, Mrs. Morris County, for helping with the kids contest, crown, gloves, and sash we had it all.

WML Palooza was another great hit. Thanks to Samantha Jordan, The Emerson Project, Chris and Chelsea, our very Own John Oakes Band and Country Comfort. Thanks for the great entertainment.

Ilene Horowitz

Thank You From The Heart

To our residents,
To our parade walkers,
To our parade watchers,
To our sponsors,

WML WOODS

There will be a second information session at the clubhouse soon, to help you decide on an important ballot question for our community. WML residents are being presented with an opportunity to permanently restrict our land from development through The Highlands Water Protection and Planning Act. Last year, voters decided that we will NOT be selling any land through the NJDEP's Green-Acres program. That has NOT changed, no land will be sold.

The Highlands Commission has another alternative to compensate us for development rights lost to the Highlands Act. In their effort to manage development; the commission created the Transfer of Development Rights program, whereby the right to develop any piece of land can be transferred from areas designated for preservation, to other areas they have deemed more suitable for development.

Once those credits are sold, the land would be permanently deed restricted and could never be developed, but would continue to be the private property of WML's Country Club, for the exclusive use of our members.

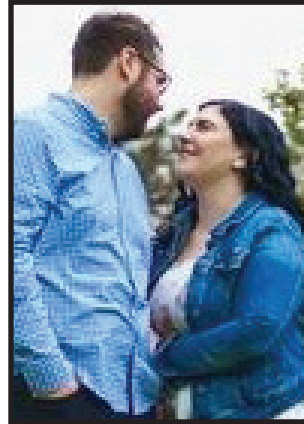

For a more detailed look at this alternative please see: <https://www.nj.gov/njhighlands/hdcbank/tdr/>

Please attend our next information meeting in late September/early October (TBD) to have your questions answered.

Our land has been evaluated and our Development Credits are worth \$1.636 million dollars. At present the program is not funded, and there is no knowing when the HDC might find funding for it. However, IF those dollars do become available, we may need to react quickly. There may not be enough time to wait for another annual vote of the entire POA membership. The vote THIS OCTOBER will determine if the board has the right to sell the Development Credits at some time in the future.

PROOF

By Phyllis Auerbach

Summer's almost a memory
Of happy days gone by
Another wonderful summer
The days – they really fly

We wake up in the morning
And hear the water call

We've got to get the swimming in
Before it turns to Fall.

The beaches and the pool
Is this what it's about?

The sand, the water and the sun
It's happiness, no doubt

We take a brief vacation
And go down to the shore
However long we stay
We're always wanting more

There are some happy campers
The mountains welcome them
A fire to be built at night
It's really no problem

So if you do the beaches
Or do the camping thing
Before long you will say "on no"
"What I forgot to bring"

A summer in White Meadow
Whatever street you're on
You've got to make the most
Cause "POOF" and then it's gone

So soak up all the beauty
We live with all the time
See you in the newsletter
Here's to the monthly rhyme
