# President's Message

This month spring arrives and we spring ahead an hour, the days are getting longer. The tennis court project is starting. Boat spots will be given out. It's a busy month. Please stop in the office or go online to pay your dues. Have your badges updated for 2024 before May 1st. Please have everyone in your family take a photo of their updated badge in case they do not have their badge with them. They can show Security or the lifeguards their badge on their phone.

Some repairs have been done to the deck so stop by on a nice day and have a drink overlooking the lake.

House Activities and Women's Club events are selling out quickly, so check the newsletter for upcoming events and plan ahead. The Women's Club did an unbelievable job with Winterfest. We had over 400 members attend. Thanks to all the volunteers who made it happen.

Please remember to watch your speed. We have many walkers and narrow, winding roads. Clean up after your dog, including on the A-Field. Maintenance has noticed a lot of dog waste on the field. I'd hate to see it closed to dogs.

I'd like to send a speedy recovery to long-time volunteer and Board member Pat Degnan.

Any concerns, please call me at 973-586-1556. Happy Easter! Let's go

Michael Ilardi

# Preschool

## Preschool Happenings

February was a short but busy month in our preschool. We celebrated Valentine's Day with lots of sensory fun and STEM activities too. Our 5 day class celebrated the 100th day of school with a 100 day fashion show. It's time to celebrate the love of reading with Dr. Seuss fun and welcome spring in March. We can't wait to say goodbye to winter and hello spring with our spring egg hunt at the end of the month.

## Fishing Club

I am excited to accept the position of White Meadow Lake Fishing Club President and a big "Thanks" to Nick Ferrone for leading the club for so many years. Without his efforts, we wouldn't have such a fantastic fishery.

The winter is so long, especially when you live near a beautiful lake like ours. This time of year bums me out - it looks and is too cold to go outside. All of the boats are wrapped and stowed; waiting impatiently for the days to get warmer. After the new year, my mood brightens a bit and my husband and I start cleaning out the tackle box, taking inventory on what needs to be replaced, re-spooling the line, and oiling the reels. We excitedly count down until opening day of trout season, which is too many fishermen, the equivalent to a holiday and starts up the fishing season.

This year, WML Fishing Club will have a new logo and we are hoping to host multiple contests and events throughout the season. Please join us for our first event on **Saturday, March 16 from 12:45 pm-1:45 pm** near the Clubhouse Boat Ramp for the **2024 Spring Trout Stocking**. Grab a cup of coffee or hot cocoa, eat some donut holes, and watch the trout getting stocked into our lake! If you bring a 5-gallon pail, you might be able to put a few fish in yourself! This is a free event for all members in good standing and every kid can take home their very own fishing lure. Registration can be made by clicking the link here or using the QR code below.

Next, on **April 6 from 8 am to 10:30 am**, we will host our annual **Larry O'Rourke Opening Day Trout Fishing Contest**. Prizes will be awarded to the longest fish caught on shore and from a boat at 11 AM. Registration can be made by clicking the link here or using the QR code below.

WML Opening Day Trout Fishing Contest is fondly named in memory of Larry O'Rourke for his dedication to our fishery and fishing community for almost half a century. Larry was a WML resident for over 50 years and served as an active member and held various leadership positions in the WML Fishing Club for most of those years. Larry is fondly remembered for his light-hearted approach to fishing. He emphasized the inclusivity of the sport and conservation of our fishery. Furthermore, he had a passion for passing down the love of fishing to children in our community and volunteered at many children's fishing contests throughout the years. He was often heard saying, "It ain't all about the fishing." Larry was also an advocate for creating a four-season fishing opportunity in our community and actively carried on the tradition of Opening Day Trout Season. While Larry is no longer with us, the Fishing Club continues to advocate for this.

About the trout we stock:

There are many different types of trout, but in the Spring, we stock 12"-16" hatchery-raised brown trout and rainbow trout.

## LAKE & LAKE RECLAMATION

The committee is currently discussing, with our consultants, new and old options for how to best treat our lake. We are also discussing watershed issues with our neighbors and municipality.

Shoreline Phragmites should be cut **before March 15th**.

Please help in controlling this invasive plant.

We want to thank the boat registration subcommittee for their help. The boat registration survey results show a majority want the line to determine allocation. Therefore, as in the past the line will be self-policed. We have added additional pontoon spots. NO OVERNIGHT PARKING and NO PARKING BEFORE 7AM on the FRIDAY before registration Saturday. Signs will be posted and added to social media. Please be safe and respectful of your fellow members and the volunteers.

Join us the first Thursday of the month in the clubhouse at 7:30pm!
