\*We will not begin drawing #'s before the times shown above.

The first drawing is for Motorboat, Sailboat, and Rowboat spots. Check-in time is between 9am and 9:30 am on the day of the event. The Drawing time for Motorboats, Sailboats, and Rowboats will begin at approximately 9:30 am. Motorboats, Sailboats, and Rowboats must select from designated spots.

The second drawing is for Pontoons and Oversized Motorboats. Check-in time is between 9:45am and 10:45 am on the day of the event. The Drawing time for Pontoons and Oversized Motorboats will begin at approximately 11 am. Oversized Motorboats must select from the designated oversized spots.

The third drawing is for Land Spots. Check-in time is between 2 pm and 3:30 pm. The Drawing time will begin at 3:30 pm. At the time of check-in, the event staff will make sure a dock spot has not been selected by the resident yet. If a resident has already participated in the event and received a spot for a motorboat, rowboat, sailboat, pontoon, or oversized motorboat then the resident must wait until 2<sup>nd</sup> Spot Day for their land spot. **You cannot get 2 spots on the day of the event.**

**Application Forms and applicable required documents:** Pre-registration for dock spots is **required**. The completed Application Form, Boaters Safety Certificate or NJ Driver's License with Boat endorsement, and NJ Boat Registration Card must be submitted by **March 1**, however dues can be paid by **March 8**, 2025. For Land Spots, you must bring the completed application form on the day of the event.

**Dues payments will not be collected, and photocopies will not be made on the day of the event.**

**Deadline for Dues:** Dues must be paid in full on or before **March 8, 2025**.

**Handicapped spots:** If you require a handicap dock or rack spot, please bring a copy of either your placard or handicap card to the event.

**Registration Check-In Process:** On the day of the event, residents will check in at the table between the appropriate times, providing the Event Staff with their First and Last name. The resident will be given their "lucky number" ball. The ball number will be recorded next to the name on the spreadsheet. Last name, first name, and ball number will be projected on the wall for all residents to view for full transparency. Proxies **are** allowed if not getting a spot for themselves. **NO** additional bingo balls will be added once the drawing begins. The residents will put their own ball in the cage at the time of check-in.

**Drawing Process:** The cage is mixed when all assigned bingo balls have been placed in the cage. The first ball is drawn, and the number and resident's name is read using a microphone. The winner will be sent to the table where the office staff will verify the dues are paid and review the paperwork. If the paperwork is in order and dues are paid, the winning resident will select the spot on the map. The resident's name/ number on the spreadsheet will have the text color

change from black to red, indicating they were chosen. As the spots are selected, a sticker will be placed on the map to indicate the spot is no longer available. The cage will be mixed before the next number is drawn.

**Stickers and Occupy Date:** Stickers will be available on the day of the event, similar to previous years. Residents have until the standard occupy date to occupy the space or forfeit their spot to another resident asking for it. Exceptions can be approved at the discretion of the office staff.

**Non-Winners:** Leftover bingo balls (non-lottery winners) are drawn at the end of the event and added to a waitlist. They will be contacted in number order by the office if a spot opens.

If no spots are available for the current year, the non-lottery winners who are on the waitlist that did not receive a spot will have their own drawing to select their spot at next year's event before any other balls are drawn. Paid dues and applicable paperwork are required. Once the previous year's non-winners' spots are selected, the rest of the bingo balls will be added to the Cage.

**Residents who choose to not attend the event and/ or do not send a proxy must go to the office to request a spot starting March 18, 2025. If no spots are available, the resident will not be eligible for the automatic spot the following year.**

**Second Spot Day:** Second Spot Day will be on Saturday, **March 29, 2025**. The event will take place upstairs in the White Meadow Lake office. Registration will begin at 9 am until 9:25AM. The drawing will begin at 9:30 am. No other business will be conducted on Second Spot Day until the drawing and registrations are completed.
