Even with the additional kayak racks, all spaces have been filled. There are 3 canoe spaces remaining (2 are handicap), that will be released for kayak use on May 5. Assigned spaces not filled by June 4 may be reassigned upon a resident's request for the vacant space.

FISHING NEWS

Ed Clark (Pictured left) caught a 71b 22" Largemouth Bass, his personal best in WML on Monday, April 2 at Beach 2 around 6:00 pm. It was caught then released back into the lake to be caught again by hopefully many other WML residents!

Send your catches to webmaster@whitemeadowlake.org!

FISHING CLUB

The Fishing Club meetings are held on the 2nd Wednesday of the month at 7:30 pm.

Restrictions on fishing areas are enforced year round to prevent fish hooks from ending up in the swim areas.

REMINDER TO BOATERS/FISHERMEN

Give Our Shorelines Space Please remember that as per POA Regulations, all boats must stay 50 feet away from shore properties, swimming areas and from the ropes at the POA Beaches. This is important to protect swimmers, wildlife and the peaceful enjoyment of homeowners and community members.

Remove Gas Cans and Standing Water

Please remove gas cans from boats when not in use. Check on your boat after rain storms and remove excess water. The standing water is creating a combination of a health hazard and sinking boats.

Anchors may damage the lake's alum and aeration system!

Please follow these guidelines to avoid causing costly damage to the lake's alum and aeration systems:

- Only use a mushroom-style anchor
- Do not drag anchor along lake bottom
- If you snag a line or observe a line on the lake surface:
  - Stop immediately!
  - Remove line from anchor
  - Call White Meadow Lake Security Truck 973-525-9075 or the POA office 973-627-5300.

No Parking at the Boat Ramp

As a courtesy to others, please move your vehicle and trailer as quickly as possible when launching and removing your boat from the lake.

May has arrived and the children are using their creative energy to prepare for our Mother's Day celebration. All of the classes will be busy making decorations, refreshments, and a surprise or two! We will be continuing our study of nature this month as we explore both farm animals and pond life. The children will learn the names and habits of many different animals and their young. They will be participating in several different art projects to reinforce these topics as well as learning new songs and finger plays with a warm weather theme. Wishing everyone a month of sunshine and a wonderful Mother's Day!

FESTIVAL DAY 2018

by Phyllis Auerbach

Spring is on its way
Our jackets put away
It'll be here any day
Say goodbye to skies so grey

The weather will be good
As it always should
Winter's gone you'll see
Abloom will be each tree

The kids go out and play
Each and every day
That's what its and all about
It's worth a great big shout

The Clubhouse has events
For very little cents
We have an open bar
Don't travel very far

The Clubhouse also hosts
Best party on this coast
Of this we have to boast
The weekend is the most

We call it Festival Day
And bring it all your way
You have to come and play
The best is what you'll say

There's much for you to do
Come down and bring the crew
Each year there's something new
Only the best for you

We'll see you in July
And how the time will fly
The closer is a high
It's fireworks in the sky

Someone upstairs smiled upon us and gave us a beautiful sunny day after the horrific Nor'easter Storm that we endured. Fortunately, we were able to attend Villa Roma on March 15. The theme was St. Joseph's Day.

We want to thank Bill Kennedy for baking delicious homemade Irish soda bread for everyone on the bus. It made our trip very pleasurable.

When we arrived at Villa Roma, coffee cake, etc was waiting for us. After a fabulous luncheon, we went to enjoy the show. The entertainers were a husband/wife combo, Donna and Tony. They sang a medlee of songs of famous singers, Judy Garland, Frank Sinatra, Mel Torme, etc. which included romantic songs, operatic songs and patriotic songs to honor our veterans. After the show, many played Bingo, although none of our members were lucky. Some were shooting pool, while others shopped or line danced.

Before we left, Villa Roma supplied each and every one of us with St. Joseph's bread and a bottle of water for our trip home. It was a great day- good food, good companionship, good entertainment and good weather. Who could ask for anything more?!

Our meetings are the 2nd and 4th Thursday of every month at 1:30 pm. We serve free pastry and coffee, tea or hot chocolate at every meeting. We would love to see you there! Also please join us on our next trip, Buck's County Playhouse on May 24. This too should be a terrific trip.

BEAR SAFETY

As you are well aware, bears and other wildlife are very active at this time of year and all residents must take precautions with their trash. If your garbage is easily accessible, you are likely to have bears continually visit your home. Black bears and other wildlife learn very quickly, and if they find food they will continue to visit until the food source is gone.

If you Encounter a Black Bear...

LOOK BIG Raise your hands in the air
MAKE NOISE Clap your hands
BACK AWAY SLOWLY Do not run or play dead

Reduce Encounters with Bears

1. Secure your trash and eliminate obvious sources of food, such as pet food on decks, easy-to-reach bird feeders, or food residues left in barbecue grills.
2. Use certified bear-resistant garbage containers if possible. Otherwise, store all garbage in containers with tight-fighting lids and place them along the inside walls of your garage, a sturdy shed or other secure area.
3. Wash garbage cans frequently with a disinfectant solution to remove odors. Put out garbage on collection day not the night before.
4. Avoid feeding birds when bears are active. If you choose to feed birds, do so during daylight hours only and bring feeders indoors at night.
5. Immediately remove all food bowls used by pets fed outdoors.
6. Clean outdoor grills and utensils to remove food and grease residue. Store grills securely.
7. Do not place meat or any sweet foods in compost piles.
8. Remove fruit or nuts that fall from trees in your yard.
9. Install electric fencing as an effective way to protect crops, beehives and livestock.

Yard Waste and Recycling stickers are available at the POA Office!
