## *Presidents Message*

The 2015 WML/POA elections, budget and dues setting is now behind us. Our mission remains the same. A diverse Board of members representing the entire community will continue the good work we have been doing. There is so much to do but your Board has made the commitment to work together to get the job done.

There are no "them versus us" on the Board and hasn't been for the last two years. We all vote as individuals, our discussions are lively but respectful and with audience participation we try our best to do what is right for the entire community. We make mistakes along the way but it is not for a lack of trying.

We have gotten considerable input from the community and will address issues that concern members. It is our hope to prioritize and balance the needs versus wants of the membership.

We hope to have the Tiffany room fireplace fired up for the cold days and nights ahead and we encourage members to come and meet and congregate in a warm and cozy setting. There is Wi-Fi in the clubhouse and I look forward to meeting members and sharing our experiences and opinions.

Stay warm and dry and spring will be here before we know it. See you around the clubhouse this winter.

*Mark Kempner*

## NEW JERSEY NATURAL GAS

On Monday, November 10, the Civic Affairs Health & Safety Committee sponsored a meeting regarding New Jersey Natural Gas which was attended by over 60 residents. Some of the key information which the residents received included information which let us know that there are currently rebates and how to obtain them should you decide to convert to Natural Gas. In order to obtain the higher rebates any furnace must have a minimum 92% energy efficiency. It was suggested that every homeowner considering conversion have an energy audit done. New Jersey Natural Gas is also offering a 0% interest loan which would be paid directly to them through your monthly bill, an application needs to be complete prior to December 31, 2014 as this is the current application deadline. The sources for the rebates are NJNG (New Jersey Natural Gas) and NJCEP (New Jersey Clean Energy Program).

A map of the proposed schedule for the installation of the gas lines was also distributed. We were also informed that if we were on a particular street which might be scheduled out longer than we anticipated, a number of the neighbors could contact NJNG and ask how many homes it would take to speed up installation for their street.

If we had any additional questions we were asked to contact Brian Klingler, the marketing consultant for New Jersey Natural Gas at [bklingler@newjerseynaturalgas.com](mailto:bklingler@newjerseynaturalgas.com).

## December Fish Special MUSKELLUNGE

How to identify a Muskellunge:

"The Muskellunge is found in cool water habitats. It has soft fins with short bases and dorsal and anal fins are set far back on the body. It has a forward facing mouth with a characteristic "duck-bill" shape and a pointed snout. The lower jaw protrudes beyond the upper with jaws and other mouth bones bearing large teeth. Its body shape is tubular and it has small scales that are present on the head and body."

## BOAT REMOVAL

Boats must be removed from POA property no later than December 14. If not removed by December 14 you will incur a \$100 fine and it will be towed at the owner's expense.

## KEEP OUR LAKE CLEAN

- Do not dump lawn clippings or other waste in the lake or near the shoreline -- compost instead.

**Use Phosphorus Free Fertilizer 20-0-8**

## FISH TALES

As we get into the holiday season and winter weather is in full swing, it is a great time to reflect on the past wml fishing season and prepare yourself for the new year to come. It is critical to service your rods and reels and look over your tackle. This is the best time of year to stock up on your new gear for 2015!

White Meadow Lake is a very impressive fishery and offers anglers so many fishing opportunities! Make sure that you take advantage of your membership and cast a line in 2015 on one of my favorite Bass lakes in New Jersey!

Happy Holidays and Bass Wishes!

**Submit your White Meadow Lake catches to [webmaster@whitemeadowlake.org](mailto:webmaster@whitemeadowlake.org) to be published in a newsletter!**

## FISHING SURVEY

We are studying the fish in the lake. Send your catches to [webmaster@whitemeadowlake.org](mailto:webmaster@whitemeadowlake.org).

## ATTENTION ALL FISHERMEN

Upon the advice of our lake consultant, please "CATCH & KEEP" any and all carp you catch as they are destructive to the lake ecosystem.

## SYLVIA BAUMAN 1919 - 2014

*By Phyllis Auerbach*

There was an old woman named Sylvia  
There couldn't be anyone happier  
She turned 95  
Was so very alive  
But alas didn't live in Valencia  
Of grandchildren she only had four  
Although she wished she had more  
Great grandchildren five  
That point's still alive  
The number will grow I am sure  
She loved to play games with the staff  
Her winnings she didn't count half  
Bingo she won  
A princely sum  
And always she gave them a laugh  
Now she wasn't walking at all  
That happened because of a fall  
So she left us to be  
With my father you see  
Is there a Macy's up in the Great Mall?

## ROCKAWAY LIONS CLUB NEEDS YOUR HELP!

The Rockaway Township Lions have a Christmas party every year at White Meadow Lake Clubhouse for less fortunate children and their families. We have around 250 people who attend and we make sure everyone is fed. Of the 250 that attend about half are children. We have games that our young Lions (Leo's) help with. We also have Santa and that's where we need your help. The Leo's help Santa give out hundreds of toys but due to economic conditions we now are getting half of the toys we usually receive. If you can help with a toy or gift certificate the children and the Lions would greatly appreciate it. Please drop off any toys or certificates at the POA office on or before December 6. Please do not wrap toys. Leo's and Lions will wrap them on Sunday, December 7.
