Lake Front Homeowners: **Warning!**

Underwater Circulating Fans must not be used to keep docks and lakefronts free of ice. Other COLA member lakes also prohibit the use of circulating fans because of related drownings.

Notice!

Did you know that any changes made to the shoreline and into the lake, for example, a dock, requires permission from the Lake Committee. This includes devices installed to prevent icing during the winter months.

If you have any questions, please contact the White Meadow Lake office at office@whitemeadowlake.org or call 973-627-5300

2015 DUES

Homeowner \$625 • Lot owner \$156.25

Dues are due January 1 with a grace period to May 1 to avoid late fees. The dues must be paid in full by May 1, 2015. The bill for the dues was mailed out to all homeowners and lot owners. If you wish, you may pay your dues in small monthly installments of \$156.25 per month for 4 months. However, you must send your payments in on a regular basis. You will not receive a monthly statement.

In order for you to apply for a boat tag on Saturday, March 7, your dues must be paid in full.

For your convenience, call in your payments using your MasterCard, Visa, or Discover. An Explanation of the Dues can be found on page 3.

INCOME TAX INFORMATION

Every year as Income Tax Season approaches, Homeowners wonder whether POA dues are tax deductible. The answer is NO. However, the portion of the dues applied to Real Estate Tax are deductible. For 2014, this amount is \$64.60 for Homeowners and \$16.15 for Lot Owners.

President's Message

With the holidays behind us, we can all get back into our routines and try to enjoy the winter months. As I write this, there have been no real winter storms (knock on wood), the Swans are back at the north end of the lake, and the views of our lake are still fantastic.

To me, the dog days of winter are in March, so I'll try to enjoy the next couple of months while quietly counting the time until spring. The golf clubs are put away and the snow blower is tuned up and ready. I actually hope for at least one significant snow so I can create a luge type track around my house so our dogs can race and play.

Our staff and Board members and committees are already working on "the season". Our maintenance and grounds crews are tackling winter projects and keeping us warm and safe through the coming months. There is a lot of indoor work to be done and Gary and the guys do a great job.

Our staff had an incredible year and deserve a big shout out for their efforts and commitment to the community. We are very lucky to have the group we have as they continue to treat all residents with the respect and kindness they deserve.

There are many winter activities sponsored by the POA and I hope you check out the newsletter, website and Facebook pages to find out what is going on within the community. I would like to thank those who participate on the White Meadow Lake Socialize and Discuss Facebook page. I find it very useful to learn as much as I can about the concerns of the community.

I hope to see many of you taking advantage of all the winter activities and maybe we'll see each other at the Clubhouse this season.

Mark Kempner

NO OVERNIGHT PARKING ON COMMON PROPERTIES

There is no parking overnight of cars, boats, trailers on beaches 1, 2, or 3, clubhouse parking lot, and the A field. If you want to store a boat or trailer on the property, you can rent a spot on beach two. Be prepared to be ticketed and towed if you park on any of the POA properties overnight without a permit from the POA office. If you want to park overnight, you need to review it with the POA office. Unauthorized vehicles and boat trailers will be towed at owners expense. Pay attention to the new signage.

Explanation of the Dues

The Board of Directors of the WML Property Owners Association, Inc. at its meeting held on November 19, 2014 approved the dues and fees for 2015 as detailed below.

1. FULL MEMBERSHIP

Dues for a full membership shall be the sum of \$625.00 per home for the year of 2015. This full membership shall cover the homeowner and members of their immediate family as defined by the WML constitution and the administrative guidelines. Full membership entitles the homeowner and his family to all the rights and privileges to use the Common Properties of the Association. Upon payment of full membership dues for each home and lot owned, the homeowner in good standing shall receive identification badges for the homeowner and members of their immediate family. These badges allow the members access to the Common Properties. Full membership shall also entitle every member in good standing to participate in all POA sponsored sports and activities. In addition, they are entitled to use of all Country Club facilities including, but not limited to, Camp, Preschool, Instructional Classes and Social Functions. Full membership shall also entitle every member in good standing to receive the prescribed number of Guest Passes (30 passes per home) for the current season, good for the beaches and other facilities, to be used by NON-RESIDENT GUESTS ONLY. Full membership includes the right to vote (one vote per home) and serve on the Board of Directors.

2. ASSOCIATE MEMBERSHIP

Persons other than the immediate family habitually residing in the household of a member in good standing are eligible for associate membership. The Associate membership rate is a per-person rate equal to 25% of the full membership rate and is charged for each adult and/or child. Associate members shall have all rights of a full membership except that of attending constitutionally prescribed meetings, voting, the right to hold office and shall not receive the free guest passes.

3. LOT OWNER MEMBERSHIP

Dues rate for lot ownership is 25% of the full membership rate. A lot owner shall receive identification badges for the lot owner and members of their immediate family. This membership entitles the lot owner to use the Common Properties only. On an annual basis, Lot owners may opt to pay the full homeowners dues, in lieu of the lot owners' dues, in order to receive full membership privileges as defined above in number 1.

4. RENTEE

A tenant renting a home from a member in good standing where the member has not elected to transfer their rights is eligible for associate membership.

5. TRANSFER OF MEMBERSHIP PRIVILEGES

Homeowners in good standing may transfer their membership privileges annually (except that of attending constitutionally prescribed meetings, voting, and the right to hold office) to a rentee of their WML home. The transfer must be in writing on file with the WML office. The rentee's family becomes entitled to full membership privileges (except that of attending constitutionally prescribed meetings, voting, and the right to hold office) including a set of guest passes. The owner of the rented property would no longer be entitled to any of the privileges associated with ownership of this home but retains the rights to attend constitutionally prescribed meetings, vote, and the right to hold office in the year that the privileges were transferred. Additional people living in the same house as the rentee's family would be eligible for associate memberships as described above.

6. JOINT OWNERSHIP

Where a home (dwelling unit) is owned by more than one family (family units), only one of the owners of record must become a FULL MEMBER and shall have all the rights of a FULL MEMBERSHIP including attendance at meetings, voting and office holding in the Association. The other owner or owners shall be eligible for an ASSOCIATE MEMBERSHIP as defined above upon payment of the proper dues.

7. PURCHASE OF GUEST PRIVILEGES

Members in good standing, or those who have received a transfer of membership privileges, may purchase additional guest passes for the use of the Common Properties of the Association to be used by NON-RESIDENT GUESTS. Guest passes, good for the entire day, may be obtained for the sum of \$2.00 each. Passes will be available for purchase in the Clubhouse upon presentation of the proper credentials.

8. BADGES

No member of the Association shall be entitled to receive more than one set of identification badges. Retakes for lost badges will be made at a cost of \$2.00 per person, not to exceed \$5.00 per family. Members are encouraged to re-use their prior year's badge. A sticker will be applied to the badge for the current year. Any member presenting a prior year's badge that is not considered to be satisfactory will be issued a new badge at no charge.

9. REGISTRATION FEE

There is a one-time registration fee of \$100.00 to new homeowners in White Meadow Lake. The money collected covers the processing of paperwork and the transfer of the stock certificate.

10. OWNERSHIP OF MORE THAN ONE PROPERTY BY A MEMBER

Dues must be paid by all property owners in White Meadow Lake. Members who own more than one home or lot in White Meadow Lake are obligated to pay dues for each property. All dues, assessments and any other fees must be current on all properties in order for the property owner to be considered in good standing.

11. EQUALIZATION FUND FEE

Effective July 1, 2002, when a home is constructed or an existing home is purchased, a property owner must pay a one-time Equalization Fund Fee of \$500.00. The money collected via this assessment is put into a separate fund and is used for the repair and/or replacement of existing facilities or equipment of common properties. This fee is exclusive of the \$100.00 registration fee described above. Homeowners who sell their home in White Meadow Lake and then purchase a new home in White Meadow Lake within one year are not assessed this equalization fee.

12. DUES COLLECTION

All fees both legal and processing incurred in the collection of dues or the processing of liens, will be the responsibility of the Homeowner and are defined as additional dues.

Revised 12/14/2011

In October 2012, the board passed a new late fee policy. Instead of using a percentage rate to calculate late fees, the new policy is a flat fee of \$5 per month. As per our constitution: a) dues are due and payable on January 1st, and b) Members who have not paid their dues in full by May 1st are considered to no longer be in good standing. To be consistent with our constitution, there will be a 4-month grace period (January through April) where the late fee will not be applied as long as the Dues are paid in full by May 1st. A homeowner who pays their dues after May 1st will immediately incur a late fee of \$25 (\$5 for each month from January through May) and \$5 per month thereafter including future years.

- The flat fee approach became effective immediately and replaced all prior late fees.
- The fee for lot owners is 25% of the fee for homeowners.
- The fee is applied for independently for each year and does not stop when the year ends. The fee for that year continues to be applied until the dues for that year have been satisfied.

The Women's Club held their annual Menorah & Christmas tree lighting in December. We would like to thank Rabbi Baumgarten for kindly running the Menorah lighting. Thank you to our preschool teachers and children for their wonderful caroling and tree ornaments. The kids were surprised with a special visit from Santa. We appreciate everyone's time and effort to make these events festive. Have a happy and healthy holiday season.

Women's Club PreSchool

Preschool Gazette

Though the outside world may be settling in for a long, lazy winter, our classroom will be bustling with exciting, new activities. The two main units of study this month will be "Good Health" and "Our Five Senses". In our unit on good health we plan on discussing the need for good food, exercise, rest, and cleanliness. The children will be involved in several different projects including turning our classroom into a kitchen as we cook up some vegetable soup and prepare fruit salad! In conjunction with learning about our bodies' needs we will explore the five senses; what they are and how they help us every day. The month of January would not be complete if we did not include several songs, stories, and art projects centered around winter and snow.

Over 55 Friendship Club

Senior Friendship Club President: Bruce Levy

It doesn't matter if you've been to Woodloch Pines before, it's always a fun place to spend a few days. The hospitality is always the best, the accommodations are great and the owners are there to please everyone. There are four generations of the original owners who are there to make sure you have a good time.

The food is delicious and plentiful, cooked to your specification and even sometimes made to order.

The activities and contests change daily and you have your choice of what you want to participate in, or you also can just relax in the comfortable chairs in the lobby with a good book and pleasant people.

The entertainment was absolutely sensational featuring, one night, Ned Gelfars, a Comedic Juggler, who was hilarious and even put two of our group in his act and the three of them cracked us all up. One night the staff put on a night a "Back to the 80's Night" and songs from 'Les Mis' which got a standing ovation. Such marvelous talent!!!

Can you see why we are so very happy when we get a chance to go to Woodloch Pines?

Again thanks to Bruce for arranging this trip for us and thanks to Ruth, Carol, Lil and Jeri for all their help. Hope to see you on our overnite trip to Hunts Landing in Pennsylvania in February.

I wish you a happy new year

The odds are good I have no fear

The clubhouse party was the best

With laughter cheer and all the rest

We saw our friends and made some more

The fun began when you came through the door

Drinks were served with a smile

The bar was hopping all the while

Food was delicious and plentiful

The night was actually wonderful

We all danced while the music played

Some left early and others stayed

I hope you came and had a ball
