President's Message

Well, it looks like the snow has ended for the season. I'd like to wish everyone a Happy Passover and Happy Easter. April brings us to the start of the fishing season, and the Fishing Club has its opening day contest all set. Our events this month are Comedy Night, Mixology, and the Spring Market. Take a look around as garbage has accumulated over the winter on our streets. If everyone can clean up near their home, it'll make White Meadow Lake even more beautiful this time of year. The tennis and pickleball courts have already seen action as the weather started to warm up. Maintenance is getting all of our facilities ready for the season. With the longer days and warmer weather, the deck is a great place to stop by with some friends, have a drink and watch a ball game. The bar is open Thursday through Sunday with Wednesdays coming soon. If you have any ideas about any improvements, stop by a committee meeting and let us know. You can view the meeting dates/times on the newsletter calendar page. Kids and pets are out and about so please drive slowly in the lake. Don't forget to pay your dues before May 1st and bring your badges up to the office to get updated.

Let's Go Mets!

2026 SWIM LESSON POLICIES

We want our classes to be a rewarding and fun experience for all. Please help us make that possible by adhering to the following policies and guidelines.

ATTENDANCE & ATTIRE: Please arrive at your child's class on time. Arriving late disrupts the flow of classes currently in session. Have swimmers ready in bathing suits and goggles. Please pick up promptly at the end of the scheduled class. Swimmers who are not toilet trained MUST have a swim diaper on with elastic at the legs and waist. If swimmers have long hair it should be tied back so it will not get in their face during lessons.

OBSERVATION: We encourage parents to be active participants in their child's learning process, but we also ask for you to keep your presence during swim lessons to a minimum. Swim Lessons are a perfect time for your child to explore their independence and confidence in a safe environment. There are certain instances where your presence can detract from your child's ability to learn. We ask that you remain along pool walls/fences and approximately 10-12 feet away on beaches.

MISSED CLASSES: Make-ups are only held for classes canceled by the POA for bad weather and if we can find a make up time. We do not offer make-up classes for classes you have missed.

COMMUNICATION: Please sign up for Remind. This can be done 2 different ways.

1. Text 81010 (for the recipient) and enter @wml2026 (in the message).

2. OR you can use this link to join: <https://www.remind.com/join/wml2026>

Make sure your settings are on to allow text messaging for fastest updates. We will use this for all classes. You can reach out to the Supervisors through this app.

Ages are a guideline, beach staff have the final approval of all levels. If you sign up for a class & we feel your child needs to be at a different level, we will work with you to find a class that works.

WHITE MEADOW LAKE FISHING CLUB

April is a great time to dust off your gear, check your tackle boxes, and prepare for the months ahead. Many fish species become more active this time of year, making it a perfect opportunity for both experienced anglers and newcomers to enjoy the lake. We're looking forward to a fantastic season filled with great catches, friendly competition, and time spent outdoors with fellow members.

Don't forget to attend the annual Larry O'Rourke Opening Day Fishing Contest on April 4 from 8:00 AM-10:30 AM. Prizes for the longest fish caught from shore and from a boat will be awarded at 11:00 AM. Registration can be completed by clicking the link [here](#) or by scanning the QR code.

WML Opening Day Trout Fishing Contest is named in memory of Larry O'Rourke for his dedication to our fishery and fishing community for almost half a century. Larry was a WML resident for over 50 years and served as an active member and held various leadership positions in the WML Fishing Club for most of those years. Larry is fondly remembered for his light-hearted approach to fishing. He emphasized the inclusivity of the sport and conservation of our fishery. Furthermore, he had a passion for passing down the love of fishing to children in our community and volunteered at many children's fishing contests throughout the years. He was often heard saying, "It ain't all about the fishing." Larry was also an advocate for creating a four-season fishing opportunity in our community and actively carried on the tradition of Opening Day Trout Season. While Larry is no longer with us, the Fishing Club continues to advocate for this.

About the trout we stock: There are many different types of trout, but in the Spring, we stock 12"-16" hatchery-raised brown trout and rainbow trout and sometimes tagged 21"-23" trout (if sponsors are available).
