5. Classified ads shall not be commercial in nature.

Thank you - your cooperation will help us produce a better newsletter for you, your family and your neighbors.

President's Message

We should all enjoy the fall colors that make White Meadow Lake more beautiful than ever. The election results are in and I would like to congratulate all the winners and say thank you to all who participated. I want to thank the entire community for supporting our efforts these past four years while I served as your president. I am proud to once again serve the community. We have much planned for 2017 including having an almost new and very beautiful ballroom for our use. The dam project should be moving forward in fall 2017 and completing this massive project will be paramount to our survival as a community.

Again, thank you for your efforts to continue to make WML a great community and I am sure the new board will see these important projects through to completion. Special thanks to the entire staff and thanks for making my job easier. I promise to continue the many projects we have in the pipeline and we will continue the respect we have shown our residents.

Mark Kempner

WOMEN'S CLUB FALL FESTIVAL

The weather couldn't stop us from hosting our annual Fall Festival. We held it both in and outdoors this year but it was still

a success. I would like to thank the women's club members who came out and donated their time to help run this wonderful family event. A special thank you to Monti Landscaping for donating mums and hay for our photo spot. Hope to see you next year!

November is here already! We were so busy last month that October seemed to fly by. The children's enthusiasm preparing for Halloween was terrific. We had a great time learning poems, fingerplays, and creating holiday decorations. Everyone enjoyed our visit to the pumpkin farm and our Halloween parties. We will be just as busy in November as we prepare for Thanksgiving. The children will learn the story of the First Thanksgiving as well as how families celebrate the holiday today. The children will try their hand at making butter, cranberry sauce, and popcorn. Our study of Thanksgiving will conclude with a party that parents will cordially be invited to attend. The classes will soon begin work on the "Family" unit and the children will learn that a family is a group of people living together that love and care for each other.

On our last trip to Atlantic City, we stayed at The Tropicana Casino & Hotel. On our way to our rooms we passed through a part that looked a little like Havana. From the cobblestone street to the big palm trees high in the sky to the Fabulous shops. We couldn't stop looking at the beautiful shops and their wares, it was almost like sightseeing. From fashions to novelties they were really interesting and well worth "touring."

After some time at the room unpacking we visited the casino for a bit. By then we were eager to have dinner at Carmine's famous Italian Restaurant which was noted for its family style service. We chose many entrees and couldn't stop raving about all the choices that we made and enjoyed.

The next morning we ate at the Mexican Restaurant which served unbelievable breakfasts or you could grab a toasted bagel and coffee at one of the food counters.

Besides going to the Casino, you could go to the beach, walk the boardwalk or maybe go shopping. There really is much to do there beside gambling.

Another night we had dinner at another famous restaurant called P.F. Chang's China Bistro. One more great dinner we were pleased to partake in.

Thank you Bruce, Jeri, Lil, and Bill for the work you do in making our trips as good as they are.

See you next month at Lakeside Manor for more food and great entertainment.

WML Bait of the Month: Suspending Jerkbait

I like fishing suspending jerkbaits in the winter because they allow you to cover a lot of water and they draw strikes even when they're not moving. Jerkbait can match the lethargy of coldwater bass while keeping your bait in the strike zone.

THE FALL

by Phyllis Auerbach

Boats are in storage
Docks taken in
End of the summer
And changes comin'

We're getting ready
And so are the trees
The weather is changing
As quick as a sneeze

The leaves start out green
And then they turn brown
It won't be long
For them to come down

The fall is so nice
But winter it looms
It will not be long
Till the cold resumes

Summer clothes put away
Keep only the best
In hoodies we're warm
Double layers are best

White Meadow has all
The many seasons
And only do we stay
Are the reasons

This wonderful place
Has people so warm
Around every corner
Friendships we form

We get comfortable
And we are climate
Living is easy
It's all on your plate

AN EVENING OF ART & WINE

On Saturday, October 1, the House Activities Committee hosted the first "An Evening of Art and Wine" to great success with over 100 tickets sold! Featuring 15 White Meadow Lake artists, the Fall Harvest-themed evening brought together residents from all over our area for a showcase of local talent, while guests enjoyed a walk-around wine tasting paired with seasonal food selections.

The artists brilliantly showcased the diversity of their work and reminded us that our neighbors are truly talented! Everyone was in agreement that the best part of the evening was that the event brought together art lovers from our area and provided the perfect forum to collaborate and meet other like-minded artists living right here in White Meadow Lake.

Thank you to everyone who helped bring the event to life and to those who came out and enjoyed the evening!
