V. Old Business (Francesca)

- A. **Lights on the Lake** - Francesca
- We need one main big inflatable or display item and more string lights for the arches.

- Michelle and Pat pass along a message from the POA board that maintenance can not help put up or take down the lights this year. Francesca points out that this was a request that could have been denied but was not. In future, if there are not enough volunteers, the practice may be discontinued entirely.
- B. Christmas Tree Lighting** - (12/5/25) - Jenn
 - The event was super successful but requires a little more money to run in future to pay all the performers.
- C. Story Time w/ Santa** - (12/7/25) - Kristen/Jenny
 - The event was successful but needed more volunteers. There was an outbreak of flu at the time and a lot of volunteers had to cancel their assignments.
 - One point of feedback is some people were confused why two very similar events were run on the same weekend where one is ticketed and the other is free. The committee and subcommittees will brainstorm ideas to help boost both events. Karen to organize a joint subcommittee meeting.
- D. Menorah Lighting** - (12/14/25) - Batel
 - The feedback was that the event was fun and a nice mix of people from all faiths around the community.
- E. Letters to Santa** - (12/1/25-12/16/25) - Sarah
 - 29 letters received, 22 letters responded. Next year we should get another volunteer to help deliver the letters. We will need more supplies for the cards as well.
- F. Holiday Lights Contest** - (12/17/25) - Karen

Winners:

 - First Place - 50 Shawnee
 - Second Place - 95 Upper Mountain
 - Third Place - 90 Oakland
- G. Noon Years Eve** - (12/31/25) - Jasmine
 - The event is more popular than ever though we did have a run of the flu amongst our volunteers and attendees. Kristen and Pat announced that HAC will be discontinuing their adult NYE event in 2026 and, therefore, the entire ballroom is available as well as any decorations HAC has in storage.

VI. Dance & Acro - (Mary)

- A.** Parent and Me Spring to begin registrations in February.

VII. Preschool - Update - Tara/Krista/Erica

- A. Update:** 2 new students were added to the 5 day program. Tara will be putting together a Galentine's Day mom event. Regarding the unexpected POA and subsequent school closure, Holly did a great job putting the parents at ease. A lot of parents would like a refund for the days missed. The WC board to discuss and coordinate with the office to come up with a solution before the February WC meeting.
- B. Backyard Project** - Update
 - Planning picked vendors and the motion will be put for a vote at this month's board meeting.
